

SKHS SERVICE HOUR STUDENT FEEDBACK / REFLECTION

1. How has this service experience enriched you Spiritually (as a Christian), intellectually (as a student), socially (as a citizen of this nation), and emotionally?

2. Referring to this experience, how has this service broadened your definition of “neighbor”?

3. Other than judging the causes or origins of some of these situations, were you moved by pity / compassion to serve in these situations or you just wanted to get the hours done?

page two

4. What Christian values has your service helped you to think about (compassion, service, responsibility, etc)? Do you feel that you are working hard to integrate those values in your life?

5. Should we shy away from being nervous or uncomfortable when we encounter people who are marginalized or abandoned?
